Re: Kudos

Dear Adrean,

Thank you. Thank you again for helping us through the refinance process of our house. Despite all the government regulations you almost made it fun and we did have a few laughs.

But what I am writing about is to give you a heads-up. I was talking to an old friend the other day, actually a classmate, who is looking to relocate and is in need of a real estate broker. So I thought who better than Adrean and your able side-kick Jennifer to help him with selling, buying and financing. I am afraid I may have talked about you and Jennifer in too glowing of terms because my friend kind of had that unbelieving look in his eyes. So I said to him, "Just give her a call, but be careful, as part of the deal you may just end up with new friends for life".

We must also get together to start the refinance process for my commercial properties. I have been rather busy lately but I am thinking maybe next week we can get together. I will give you and Jennifer a call.

Bye for now, and thanks again.

Very Truly Yours,

Scott Kirkland
